

The second sale of the winter season took place in Port Elizabeth today, with a large offering of 178 948 kg's.

The bulk of the stronger Adult clip was passed in by the brokers as producers initiated their reserve price levels, which resulted in an overall sales clearance of 51%. Strong adults are not quoted due to the sales clearance of only 4%. A considerable volume of adult hair after sales were concluded by the brokers at higher levels than the first winter sale of the season.

The increase of 10% in the Fine Adult market indicator is also due to the fact that a large volume in this sector was also held back by the brokers.

Although the Adult price levels were disappointing, the demand for Kids and Young goats were very good.

The current uncertainty from China is making trading levels for the adult clip rather difficult.

A highest price of R450,00 p/kg was paid for a bale of super style 25 micron Kid mohair.

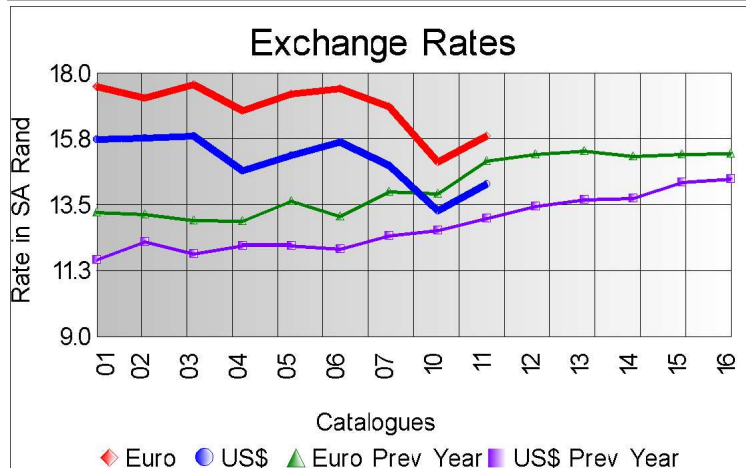

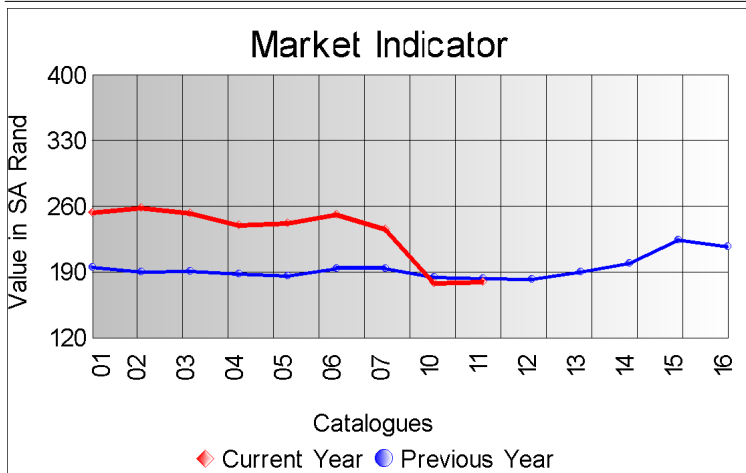

Compared to the previous sale, prices were as follows:

Kids (Winter)	Up 5%
Young Goats (Winter)	up 3%
Fine Adults	up 10%
Strong Adults	N/Q
Average	Up 1%

The third winter sale will take place on 27 September 2016
