

A total of 126 365 kg was offered today on the fourth sale of the winter season, with a good sales clearance of 97.5%.

The offering consisted of good quality mohair, with some very good individual clips, which attracted more attention from the buyers.

The market remained largely unchanged, with the weaker currency filtering through too late to make any significant impact. The overall market indicator improved slightly by nearly 1%, to close on R193.63 per kg.

Although there is still some interest within the market, the greasy exporters were slightly quieter today, with the better quality young goat's hair experiencing better demand, resulting in a 3% increase in prices.

A highest price of R360.00 per kg was paid for a bale of 26 micron super style kid mohair.

Compared to the previous sale, prices were as follows:

Kids (winter)	Unchanged
Young Goats (winter)	Up 3%
Fine Adults	Unchanged
Strong Adults	Unchanged
Average	Up 1%

The next winter sale will take place on the 1st of November 2016.
